Membership Committee Report

September 19, 2003

Memorandum

TO: To the UCAR Members' Meeting participants
FROM: Arthur Few (Rice University), Chairman of the UCAR Membership Committee
SUBJ: 2003 Membership Committee Report

We are pleased to report on the Membership Committee's activities since the last annual Meeting of the Members. During this 2003 Membership cycle, the committee considered 8 Membership renewal applications, 5 Academic Affiliate renewals, and two applications for new Membership. Subsets of the Membership Committee conducted site visits to the Columbia University and University of California at Berkeley as is customary for new applications.

We recommend renewal for all institutions reviewed, and nominate the University of California at Berkeley and Columbia University to UCAR Membership. The Members will vote on the UCAR Member renewals and the new Member applicants at the Annual Meeting. No vote is taken on the Academic Affiliate renewals—the Membership Committee approval completes their renewal procedure. The reports from the committee are linked below.

I want to thank the members of the committee for all of the work involved in reading the applications and writing the reports: Tony Brazel (Arizona State University), Charles Lin (McGill University), Gudrun Magnúsdóttir (University of California at Irvine), Terry Nathan (UC-Davis) and Bob Talbot (University of New Hampshire).

Also, please note the Member and Affiliate renewals for the upcoming 2003 cycle. I look forward to talking with you at the meeting. In the meantime, if you have any questions, please don't hesitate to contact me.
