

### Welcome to the website for the 2012 UCAR October Meetings.

This year's meeting is focused on celebrating the opening of the [NCAR Wyoming Supercomputing Center](#), and on gathering UCAR community input to the new NCAR Str. Many of you have signed up for the field trip to Wyoming on Tuesday, and we hope you find it to be an exciting facility.

We also hope you've signed up for the break-out sessions on Wednesday—to join NCAR colleagues in discussing the future directions of NCAR.

The overall schedule can be found [here](#) (PDF).
